CMPMO No.298 of 2007.

28.12.2007. Present: Mr. A.K. Rattan, Advocate, for the petitioner.

After hearing Mr. Anoop Rattan, learned counsel appearing for the petitioner and on going through the impugned judgment, I find that both the Courts below have rightly rejected the petitioner's application filed under Order 39 Rules 1 and 2 CPC because the petitioner had failed to establish a prima facie case in her favour. No interference is called for. The petition is dismissed in limine.

CMP No.1090 of 2007.

In view of the dismissal of the main petition, this application is also dismissed.
